

# Radiotherapy Lead Manager

University Hospitals Birmingham  
NHS Foundation Trust

Band 8D  
(£66,582–£82,434 pa)

Applications are invited for the post of Radiotherapy Lead Manager at University Hospitals Birmingham NHS Foundation Trust. The successful applicant will have day to day responsibility for the clinical and operational performance of the radiotherapy department at Queen Elizabeth Hospital Birmingham. In addition, the successful applicant will also be responsible for continuing the transformation and modernisation of the department, including developing UHB's strategy for collaborative and partnership working with stakeholders within Birmingham and across the West Midlands.

This is an exciting opportunity to work with one of the country's leading radiotherapy centres which has established a reputation for delivering innovation and quality. The post itself will require hard work, dedication and commitment, but presents an opportunity to develop senior managerial expertise in both service delivery and strategy.

We are looking for a candidate that has significant experience of radiotherapy, operational and clinical management in the NHS, excellent influencing and negotiation skills, sound financial acumen and a proven track record of strategy development.
