Swap the stresses of urban living for a relaxed Highland lifestyle in an outstanding area of natural beauty. Fort William is in a lovely setting nestling at the foot of Britain's highest mountain and offers a superb lifestyle if you enjoy fresh air/ outdoor activities in and around the 'outdoor capital of the UK'. There are uninhabited wildernesses and small islands as well as the bigger well-known isles that surround Western Scotland to explore. It has excellent schools and is within day trip distance of the cosmopolitan cities of Glasgow and Inverness. A dedicated Radiographer is required to help provide a general x-ray and CT service at the Belford Hospital, Fort William plus occasional sessions at Broadford Hospital, Isle of Skye. A commitment to on-call is a necessity.

The X-ray Department at the Belford Hospital is equipped with general purpose DR x-ray unit, a screening unit, a 64 slice CT scanner and an ultrasound scanner. There is also CR, RIS and PACS.

Informal enquiries to Susan Stopforth, Superintendent Radiographer Tel: 01397 702481 Ext 4227.
