Sterling Cross offers Radiography recruitment with no fees on placement!

Lead Cross Sectional MRI/CT Radiographer

Up to £45,000 - 37.5 hour week

We are currently seeking an experienced, enthusiastic and highly motivated MRI/CT radiographer to lead a busy cross-sectional imaging department. You must have proven experience in all areas of MRI imaging and have the ability to extract the best performance from the equipment.

The post offers an excellent salary, 33 days leave (including Bank Holidays) which increases with service to 39 days, career development opportunities & child care vouchers.
