

A Tale

Tim Fell off his Bicycle and hurt his ankle.

He met Kim who xrayed his ankle in Casualty

Colin xrayed him after he came out of plaster room

Phil was in theatre imaging his ankle later for the orthopaedic surgeon so the metalwork was right.

Jenny did the post operation check xray
Phil xrayed his ankle two weeks later.

Tim was discharged after final check xrays were done by Sharon eight weeks after the accident.

The END

RETURN TO RADIOGRAPHY

It's not the end if you leave Radiography.

Phil returned to diagnostic radiography after a gap of 18 years.

Could you ?
