# LEGAL SUPPORT FOR MEMBERS

## The Society of Radiographers and Virtual Law

The advent of the Any Qualified Provider Scheme introduced into the National Health Service provides opportunities for members of the Society of Radiographers (SOR). Members may wish to set up their own company to provide radiography services, to employ staff or to lease premises. There is a host of other legal issues that also may be of concern. To support SOR members wishing to take advantage of the new rules that apply to health service providers, SOR has negotiated with Virtual Law to provide legal support at preferential rates.

Virtual Law is a full service, cost effective commercial law firm with nationwide coverage. The firm can offer legal assistance to members in the following areas:

- **Company and Commercial**
- **Company Secretarial Services**
- **Liabilities for Employers**
- **Competition and Regulation**
- **Immigration**
- **Litigation and Insolvency**
- **Intellectual Property**
- **Commercial Property**

Virtual Law has agreed to provide SOR members with:

- **An initial 30 minutes of free advice to members who need legal assistance; and**
- **A flat, discounted rate of £225 per hour plus VAT thereafter**

Virtual Law is also happy to discuss individual projects with members and, where appropriate, to agree fixed fees. To find out more about this service and the advantages it offers, or to book an appointment with a Virtual Law solicitor, please contact either of the following regional representatives:

- **Vicky Andrews – [VickyA@sor.org](mailto:VickyA@sor.org)**

The Society will not be providing legal advice itself and accepts no liability to members in respect of the service provided by Virtual Law. Members who instruct Virtual Law will be responsible for their own legal fees.
