

The Society of Radiographers will use mentors' details for purposes associated with the Pilot Leadership Mentoring Scheme, such as education, the administration of events, research, promotion and fundraising. Our lawful basis for processing your information is to manage your involvement in the scheme and fulfil our legitimate interest as a professional body. Some of your information will be shared with the College of Radiographers. We will retain all information you submit for the duration of the mentoring scheme. Thereafter, your information will be retained as verification of your involvement and for reference in relation to the Pilot Leadership Mentoring Scheme. For detailed information about how we use your information please see the [SoR Privacy Policy](#)

Mentor Profile
