

The British Society for the History of Radiology

ANNUAL LECTURE

Open to All

20th February 2017

Albert Einstein: “Relativitively” Speaking

John Hinton and Jo Eagle

Tangram Theatre Company

Join Albert, the genius behind the übercoolest moustache in science, for a lecture like none you've ever attended. The eccentric theoretical physicist quantum leaps us through two world wars, two theories of relativity, and the deployment of two very big bombs.

“A masterclass. Genius, Mr Hinton, Einstein would be proud.”

The Sunday Times

**Governors' Hall at St Thomas' Hospital
Westminster Bridge Road, London SE1 7EH.**

Light refreshments from 6pm. Annual General Meeting (BSHR members only) 6:15pm

LECTURE 7pm

ADMISSION BY TICKET ONLY, OBTAINABLE FROM:
