SOCIETY OF RADIOGRAPHERS BENEVOLENT FUND
TRUSTEES REPORT
FOR THE YEAR ENDED 30 SEPTEMBER 2021

The Trustees present their report and the independently examined accounts for the year ended 30 September 2021.

AIMS AND OBJECTIVES

The Benevolent fund was established in 1983 as a registered charity and is governed by a trust deed dated 16th June 1983, and a Supplemental Deed of Trust dated 23rd November 2006. The objects of the charity are “the assistance and relief of persons in the United Kingdom being members (including student members) and former members of the Society and their dependants who are in necessitous financial circumstances and in particular such of them as are old, sick or incapacitated.”

PUBLIC BENEFIT

The Trustees have paid due regard to the guidance on public benefit published by the Commission in exercising their powers and planning the activities of the charity. The Trustees are satisfied that the Trust has charitable purposes as set out in the Charities Act 2011 covering the prevention and relief of poverty for the public benefit.

There were no new Trustees appointed during the year. The responsibility for the overall management and organisation of the charity rests with the Board of Trustees. The Board comprising of seven Trustees are appointed by Society Council. (Note: Numbers exclude the Chair of the Board). Policies and procedures, together with a Handbook for the induction and training and guidance of trustees have been prepared and currently this is conducted according to need.

ACTIVITY IN THE YEAR

The Trustees met twice during the year to discuss management of the Fund, and strategy. Requests for assistance and the awarding of grants are regularly discussed via an online facility.

Receipts for the year to September 2021 were £235,256, £191,825 more than 2020 mainly due to the receipt of the second instalment of a significant legacy of £200,000 within the year and two smaller legacies totalling £20,000 and £428 respectively. Donations increased by £5,986 from £7,153 last year to £13,139 in the current year which was mainly due a large individual donation of £2,500 and a receipt of a Covid-19 grant of £2,000.

A £5,000 donation was made from the Society which is consistent with the previous year and receipts from the collections at Society meetings and College events around the UK have shown a decrease from £401 in the previous year to Nil due to reduced activity during lockdown.

SOCIETY OF RADIOGRAPHERS BENEVOLENT FUND
TRUSTEES REPORT
FOR THE YEAR ENDED 30 SEPTEMBER 2021

ACTIVITY IN THE YEAR (...continued)

Payments in the year amounted to a total of £17,670 compared to £15,868 in 2020. The rise was mainly due to the increase in number of awards made from seven in the previous year to nine during the year. The total awards value during the year rose to £16,731 by £2,247 from £14,484.

The value of the investment fund increased during the year by £4,050 from £52,270 to £56,320. The short term deposit balance at 30 September 2021 was £69,787 and the Fund's bank balance was £244,287. The aggregate of £314,074 represented an increase of £217,586 over the total of the balance of the year before.

The Trustees would like to thank the fundraisers and all those who have made donations in the year or otherwise supported the Fund and also UK Council for their continued support of the Fund.

INVESTMENT, RESERVES AND RISK POLICIES

Investment

In late 2018, in view of ongoing low interest yields on charity deposit schemes, the Trustees concluded that the current level of reserves held would support investment of funds without impacting on its ability to meet its charitable objectives.

The fund aims to achieve long term capital growth in excess of inflation through investment in a wide ranging portfolio. This will be kept under regular review and an agreed investment policy has been adopted in order to safeguard the capital resources of the Fund. The policy considers the level of risk of the investment strategy, investment management selection, investment restrictions and its ethical policy which precludes investment in armaments and tobacco stocks.

Reserves

The charity's cash reserves, excluding the investment fund, amounted to £314,074 at 30 September 2021. The Trustees wish to hold sufficient reserves to be able to ensure continuity in the operation of the charity in the event of a large variation of income and/or increase in applications for financial assistance. To address this inherent uncertainty the Trustees deem it prudent to aim to hold the equivalent of two years' income in a readily accessible deposit account and a minimum of three years' income equivalent on deposit on appropriate notice. Trustees note that the reserves are currently not in line with the reserves policy due to the receipt of the second instalment in respect of a significant legacy. The policy will be reviewed in the coming year.

Risk

The Trustees have reviewed the major risks facing the fund at each meeting.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE SOCIETY OF RADIOGRAPHERS BENEVOLENT FUND

Independent examiner's report to the trustees of The Society of Radiographers Benevolent Fund

I report to the trustees on my examination of the accounts of the Society of Radiographers Benevolent Fund for the year ended 30 September 2021 which are set out on pages 6 to 8.

This report is made solely to the charity's trustees, as a body, in accordance with section 154 of the Charities Act 2011. My independent examiner's work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity, the charity's members as a body and the charity's trustees as a body for my independent examiner's work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
