

Questions to ask 2019 General Election candidates in Wales

- 1.** I care about patient care in the NHS. What will your party do about the shortage of diagnostic and therapeutic radiographers which is causing delays to the diagnosis and treatment of cancer?
- 2.** How will your party ensure that the NHS in Wales receives the funding it needs?
- 3.** How will your party stop the rising tide of professionals leaving the NHS and recruit more staff?
- 4.** How will your party protect and improve the employment rights of working people?
- 5.** How will your party ensure the NHS is not included in any trade negotiations after Brexit?
