

Midlands Regional Executive Committee

Role descriptions

The executive committee officers are crucial for the success of the MRC.

All officers of the MRC will need to work together to support the region and provide the crucial links with Council and the national organisation.

Officers will be nominated and elected from within the Midlands region of the SoR.

The essential characteristics needed to undertake these roles are those of enthusiasm for the organisation and a desire to get involved.

All other skills can be gained through training, shadowing or personal development.

Job descriptions are provided to help officers identify their role within the region.

All Officers will need to:

- Link with and inform the council member of MRC of any issues for national attention
- especially the chair and secretary position holders

- Be in membership of the SoR
- Abide by the Midlands region constitution
- Support, promote and get involved with Regional events, e.g. Organising
- Consider succession planning for their role
- Attend relevant training and keep up to date as agreed with the region
- Have awareness of Observer for council roles
and encourage participation from the RC to fill these roles
- Develop their Organisational and managerial skills – for CPD and benefit of the region
- Attend relevant events on behalf of the Region
- Be pro active in raising the profile of their role and the MRC within HQ
- Attend and participate in the AGM
- Ensure all relevant radiographic disciplines/grades of staff are considered within their role
- Provide written summary/report of training or meetings attended on behalf of MRC
