

The Society and College of Radiographers Annual Student Conference 2017: RADIOGRAPHY IN AN EVER-CHANGING WORLD

20 April 2017
Brighton

PROGRAMME OUTLINE

- 10:00 Registration, Coffee and Bacon Rolls
- 10:30 Welcome and Presidential Address
- 10:50 Student CoRIPS Award Winner
This paper will be presented by this year's awardee and will not only detail the research undertaken, but will help you to understand what the process entails and may encourage you to apply for an award yourself!
- 11:10 International Placements Session
Various speakers will present their experiences in developing countries. The session will include contributions from SoR awardees who have been sponsored to undertake work in Malawi, India and the Philippines.
- 12:10 Imaging and Therapy Practice and Work the World Prizes
Again, our prize winners will inspire you to get stuck in and have a go!
- 12:30 The European Federation of Radiography Society (EFRS) and the UK's Role in Radiography in Europe
A topical and informative session led by members of the EFRS board.
- 13:00 Living Through Times of Professional and Societal Change: A Personal Journey
A heartfelt account of the changing world of the last few decades in radiography, society and personal rights and freedoms.
- 13:30 Lunch and Networking
- 14:40 Afternoon Workshops
Choose one from:
- Radiography: No Research, No Future?
 - What does the future hold for my employment rights?
 - What might radiography look like in 2036?
- 15:45 Panel Discussion and Plenary
Put your questions to the panel of senior members of the profession and tell them what they need to do for you!
- 16:15 Close
