

Have you paused and checked? IR(ME)R Referrers

Responsible person: Lynda Johnson

Published: Monday, July 3, 2017

Summary

'Have you paused and checked?' posters and prompt cards have been published to serve as a handy reminder for referring a patient for a diagnostic imaging examination.

The posters are designed in a PDF format to allow for easy downloading and printing. They can then be displayed in the department as required.

There are A4 and A3 sizes available and also an A6 version that is small enough to be placed close to a machine or work station.

The IR(ME)R referrers checklist guidance covers checks for the Patient, Anatomy, User, System & Settings, and the End of an examination.

You can download the materials using the links below.
