

Locum Veterinary Radiographer

We are seeking a Locum Radiographer to run our MRI and CT suite at a purpose built Veterinary Specialist Hospital in Alton, Hampshire.

Dates required: 7th August 2017 – 1st September 2017

- **Full or part time applicants will be considered**
- **BSc or equivalent in Diagnostic Radiography preferred**
- **The imaging equipment features a Siemens 1.5T Magnetom Essenza MRI, 16-slice Siemens Somatom Scope, as well as ultrasound, digital fluoroscopy, digital X-ray and PACS**
 - **Own transport required due to location**
 - **No out of hours or weekend requirements**
- **Competitive rates negotiable with view to availability for future locum cover arrangement**

To apply, please email Kirsty Linfield (Hospital Manager) admin@lumbrypark.co.uk with your CV and indication of full or part time availability.
