

- **General/CT Medical Imaging Technologists (MIT)**
- **Magnetic Resonance Imaging Technologists (MRI)**

Positions available now in New Zealand. Working holiday or make a permanent move we have options for both!

About our jobs

We have exciting opportunities available to join either our General/CT Medical Imaging Technologist (MIT) or Magnetic Resonance Imaging Technologist (MRT) teams in our Radiology Services at Hutt Valley District Health Board.

We are looking for enthusiastic MIT's or MRI Technologists who are experienced and looking to step up in their career or who are perhaps looking for a lifestyle change.

You will be working as part of a team that is small enough to know your name but big enough to be exciting!

Hutt Hospital Radiology provides a 24/7 service and you may be required to be part of a rotating roster. We have part and full time positions available; so if you are energetic, enthusiastic and keen to join a busy but fun team, apply now or contact us to find out more.

Benefits for you

We offer:

- a supportive workplace culture with a commitment to your on-going professional development
- comprehensive orientation programme
- training and study opportunities
- outstanding peer support and wellness program
- a competitive relocation package which include airfares and initial accommodation and car.

Our organisation and region

Hutt Hospital, is a busy 350 bed general hospital. We provide most secondary services: as well as being the tertiary centre for regional plastic, maxillofacial and burns services; the regional rheumatology and school dental services, and the greater Wellington public health and breast screening services.

Lower Hutt is a suburban location 15 minutes from Wellington, the coolest little capital in the world. The Hutt Valley offers great schools, a variety of outdoor pursuits, nearby beaches and the Wairarapa wine growing region just a short drive away.

How to apply

Please contact us for further information on this role, at recruitment@huttvalleydhb.org.nz and indicate the vacancy number 9111798-19 and job title in the subject line.
