

# Be part of Europe's leading independent imaging services provider...

Intelligent imaging

Are you ready to join a successful growing team? We have a number of new and exciting opportunities across our Mobile Units Nationwide

## ...we've got just the right position for you!

### Nationwide Mobile and Static MRI/CT Radiographers required

Exciting opportunity for MRI Radiographers to join Alliance Medical. We require permanent HCPC registered Radiographers with preferably 1 year or more MRI experience, CT experience is advantageous but not essential.

### Nationwide Mobile MRI Training Positions Would you like to learn MRI?

We have a number of MRI Radiographer training roles across our Mobile business. If you are a Radiographer with a proven interest in MRI that would like to be fully trained then we may have a role for you.

### PET/CT Radiographers required

Exciting opportunity for PET/CT Radiographers to join Alliance Medical to support the national PET/CT contract. We require permanent HCPC registered Radiographers with experience in PET/CT to work on our mobile scanners which will transition into a static role in the future. We would also consider experienced CT Radiographers that would like to train in PET/CT on our SCoR PET/CT Course

### Benefits of joining our team:

- Competitive base salary
- Participation in recognition schemes
- Group personal pension plan with matching employer contributions
- Five weeks' paid holiday each year plus UK Bank Holidays
- Company car provided (for mobile roles)
- Retailer discounts
- Tax efficient salary sacrifice schemes
- Discounted Private Healthcare
