

THE BIRTH COMPANY SONOGRAPHER VACANCIES

Welcome to The Birth Company. We are expanding our Harley Street expertise nationwide, opening a brand new state of the art private obstetric, gynaecology and fertility clinic in Alderley Edge, Cheshire. We are looking for sonographers who excel in their field. Candidates must be fully trained in all areas of obstetric, gynaecology and fertility ultrasound, holding FMF accreditation for Nuchal Translucency scans. Experience in 3D obstetric and gynaecology scanning is beneficial. Candidates must be HCPC (or equivalent) registered. Excellent report writing and communication skills are required.

Lead Sonographer (Part time/full time) **£45 – 55k per annum/pro rata**

This is an exciting opportunity to lead a brand new innovative private ultrasound clinic. The Lead Sonographer functions as a highly experienced sonographer, responsibilities are focused on providing leadership to ensure the delivery of safe and efficient patient care.

Part time/Bank Sonographers **(Weekdays/weekends/evenings)**

Hourly and session rates available.
