

WE ARE RECRUITING

Radiographers

Reading

£23,400 - £37,440pa

36 hrs per week

3x 12hr shifts per week

(Part-time, 42 and 48 hour contracts are also available)

UK Biobank is a pioneering health research study funded by the MRC and the Wellcome Trust. We are recruiting 100,000 participants at three state-of-the-art imaging centres to take part in the worlds largest imaging study.

With two successful clinics operating in the UK, we are opening a third state of the art clinic in Reading and looking for passionate Radiographers to join our team.

As a Radiographer with UK Biobank you will be trained to complete MRI brain scans including fMRI, cardiac and abdomen MRI scans alongside DXA and carotid ultrasound imaging.

We are committed to CPD and offer a thorough training program. This includes in-house lectures, basic and advanced MRI CPD courses and support for the right candidates in gaining their PgC, PgD or MSc.

We offer competitive salaries with 20.5 days annual leave (equivalent to 6 weeks holiday). In addition to an attractive staff benefits package we have an excellent pension scheme with employer contributions of 18%.
(more details regarding our pension scheme can be found at: www.uss.co.uk)

To apply please send your CV with covering letter to jobs@ukbiobank.ac.uk
Closing date: 30th September 2017
