

Senior Radiographer (Band 6), Princess Elizabeth Hospital, Guernsey

The States of Guernsey are looking to appoint a Senior Radiographer to carry out diagnostic imaging investigations at the Princess Elizabeth Hospital in accordance with departmental policy.

Successful applicants will be invited to Guernsey to attend an expenses paid panel interview. We offer a competitive salary and you will be entitled to an annual bonus.

You will benefit from having your professional subscriptions paid, support with your revalidation, excellent training opportunities up to masters level and free parking across the Island, including all of our Health and Social Care sites. We will also honour your NHS service for the provision of annual leave and sick leave and we offer our staff a generous annual leave quota with 9 bank holidays. There is also the possibility of transferring your NHS pension into our compulsory pension scheme.

Successful candidates will be provided with a Long Term Employment Permit, and an attractive relocation package.
