

# Specialist Radiographer

## Band 6

**£30,401 - £38,046**

**Ref. 002681**

Our friendly team offers a breast cancer screening service to the eligible population of the South East of Scotland covering the regions of East, West and Midlothian, Fife, Forth Valley and the Scottish Borders. We have a four tier structure and there is a clear career pathway for radiographers.

We are looking for dynamic radiographers to join our team. There are several posts available as part of a capacity increase and we will consider full or part time. We provide screening on mobile units throughout the area and an assessment service in our static unit. The ability to travel to all our locations is a must for this role.

Are you looking for a new challenge? Keen to advance your career? Interested in working in Edinburgh and surrounding areas? Could you be the right fit for this team?

**Contact us on 0131 537 7400 for further information.**

**Closing date: 9th October 2019.**
