

HeartScan™ Direct

Radiographers Bank and Senior F/T and P/T positions

P/T positions available now with F/T posts available soon. Competitive salaries with added benefits and relocation packages available. Salaried, bank and preceptorship opportunities.

As a Radiographer at Virtual Cath Lab Surrey in Guildford, you will receive training on Cardiac CT acquisition (Canon) as well as role development, courses and even coronary calcium score and Terarecon workstation 3D reconstruction training options, for the right candidates. You will have recent postgraduate experience in CT and knowledge of current developments in radiographic techniques. We have recently invested in state-of-the-art Cardiac CT allowing us to operate walk-in, one-stop chest pain services with access to cloud reporting and Heartflow FFR_{CT}.
